Maintenance provided updates as follows: New End loader delivery, Ilgenfritz Project, Jefferson Project, and Building Permit. End Loader arrived last week. Building Permit from Bryan Voss submitted for 604 East Superior St. to construct an additional shed. Maintenance was able to check on building permit and states that the land surrounding the property all belongs to Voss so concluded no concerns. Mayor brought up Ordinance that limits the size of the building so there would need to be an exemption for the size of the building.

Motion Lodge, Sherburne to ap-

prove exemption for size of building being proposed for construction by Bryan Voss. Ayes: Doty, Brooks, Sherburne, Kielman and Lodge. Nays: None. Absent: None. MC. Discussion surrounding Jefferson Project: Maintenance opinion after talking with Greg Barnett and Lucas, Engineer is it could be just a bad fire hydrant as there is no complaints of decreased flow in that area. Barnett has done work in this area previously. Suggestion was to replace the fire hydrant and see if the project needs to go further. Ilgenfritz Project: Lodge brought up concerns with where the lift station is projected to be placed and would like to have a meeting with the engineer, maintenance and the mayor. Maintenance will gather more information and City Clerk will coordinate with all to set up meeting. Motion Lodge, Sherburne to ap-
