all the ingredients of bad weather and Warnings mean that the bad weather is present. He stated the average warning time from the State is 13 minutes, which decreases during a fast-moving storm. He further detailed that the elevation levels in Butler County make it difficult for radar to get the best picture, size and location of a storm. He will be working with surrounding counties in order to get advance notice regarding any storms that may be affecting Butler County.

The following Quarterly Reports were reviewed and placed on file: Butler Co Sheriff's Office Report, County Recorder's Report of Fees Collected, and Auditor's Cash Report.

Taran Sherburne, Brock Lodge and Jennifer Kielman present. The following Department Heads and employees were in attendance: Molly Bohlen, City Clerk, Matt Behrends, Maintenance, and Barry Mackey, Police Chief. Members of the public present were: Rhonda Landrum, Megan Wedeking, Ben Lovrien, Rusty Mutharth and Nicholas Vassios, Clarksville Star.

At the beginning of the meeting Rusty Mutharth states that he is present for a building permit that will be discussed.

Mayor states for his topics that he hopes that all Council read thru the proposed Ordinance changes so that the decisions go smoothly.

Motion Brooks, Sherburne to approve and adopt the items contained in the Consent Agenda and Minutes (04/03/2023) Ayes: Doty, Brooks, Sherburne, Kielman and Lodge. Nays: None. Absent: none. MC.

Department Head Reports: Library, Fire and Ambulance all absent for the meeting. Chief Mackey gave a report with total number of calls at 83 for police service for the month of March which he states has significantly dropped as compared to last month.

Maintenance provided updates as follows:  
Building Permits: 1. Sheila Hoodjer: 402 S Adams. Moving existing dog fence to different location on property. Lodge states that he is working with the homeowner in order to get fence where it needs to be to meet requirements.

2. Theresa Terrell: 215 W Jefferson St. Addition of sunroom and sitting room to house. Behrends states that in order for this addition to be in compliance with our Code the Council would need to waive the 20 feet setback. Technically she would need to be 20 feet off front easement instead she is going to be 17 feet. Council feels that she is making improvement on the property and they want to waive the setback for this reason. Motion Lodge, Sherburne to waive the 20 feet of setback on the project. Ayes: Doty, Brooks, Sherburne, Kielman and Lodge. Nays: None. Absent: none. MC.

3. Rusty Mutharth: 703 S Church St. Adding orange reflective hollow markers on property line. Mutharth presented his own building permit and states that he wants to line the property line because he is having trouble with neighbor using his land. After much discussion regarding the type of fence and where it needs to be placed a motion was obtained. Motion Lodge, Doty to approve temporary place-

ment of fence/hollow markers to line property line to be removed by Labor Day. Ayes: Doty, Brooks, Sherburne, Kielman and Lodge. Nays: None. Absent: none. MC.

Nays: None. Absent: none. MC. Lovrien is aware that fence needs to be 18 inches off the property line and Behrends will touch base with Miller fence that is completing project and let them know also.

Maintenance provided updates regarding Blacktop Service Quote to patch roads, as well as Heartland Asphalt quote received today(4/17). He is unsure of when this work can be completed but will check with companies if necessary.

Motion Sherburne, Doty to approve Heartland Asphalt quote and work to be done as soon as they are available. Ayes: Doty, Brooks, Sherburne, Kielman and Lodge. Nays: None. Absent: none. MC.

Lodge brought up East Prospect Street and if it would be possible to camera that sewer line prior to completing road work. Behrends states that within the next week Municipal will be coming for routine maintenance and that is something they could do. Mayor also inquired about cleaning out drains by lift station, Behrends states that is something he will address with Municipal.

Behrends wanted to discuss Truck Routes in conjunction with street projects. He states that there is more semi traffic on Jefferson Street which is eventually going to lead to breakdown of the road. He suggested ordering signs that deter trucks from using this road as a way to complete deliveries when they should be using Hwy 188 and C33 as these roads are built for the weight of the vehicles.

Behrends states that he did talk with Barnett regarding the Fire Hydrant repair on Jefferson St as well. He was quoted ~\$3000 for the labor, with supplies provided by City project would total \$10-12,000.

City Rec: Megan Wedeking and Ben Lovrien were present to give updates. They discussed the need for a fence on the north east diamond because the fence that they currently have is in rough shape. It would be nice to have a more permanent fence to mirror the main diamond. Lovrien states that he has been on City Rec for ~15 years and there is no need to complicate this situation. We do this for the kids, that is what it is about.

Motion Lodge, Sherburne to approve putting permanent fence up at the north east ball diamond. Ayes: Doty, Brooks, Sherburne, Kielman and Lodge. Nays: None. Absent: none. MC. Motion Doty, Brooks to approve 28E agreement with the School. Ayes: Doty, Brooks, Sherburne, and Kielman. Nays: Lodge. Absent: none. MC. Mayor has concerns of how the 28E is worded. Instead of the Agreement stating the City it has City Parks and Recreation.
